## Customer Reviews

This is a fantastic buy if you are planning to review your wedding vows for whatever reason. For me, it is for a 10 year wedding anniversary and the book has some great tips on making it extra special. I wasn't sure before I read this book what you could wear, especially if you had the 'full works' first time around, but you can wear what you like and have bridesmaids!! You can have and do whatever you want and more and this book made me realise that. *Renewing your wedding vows* is becoming very popular and this book makes you realise that. They have 'real life' stories which is great to read.

This easy to read guide has inspiring and creative ideas for different ways to plan a wedding vow

renewal ceremony and celebration. Sharon Naylor cites ways to bring the original wedding into the renewal and offers ways to include children. My favorite chapter is titled Perfect Words. Great quotes and readings to include in your re-commitment ceremony. I additionally enjoyed reading real-life couples' vow renewal stories. My husband and I just celebrated our fifteen year wedding anniversary and are planning our own vow renewal sometime soon. We will definitely use the great advice and ideas in this book!

I did not realize that this book was a "start to finish" wedding planner. I was more interested in standard sermons and vows. It is still a good book for someone who needs more information than I did.

This book is helpful if your wedding was small or you eloped. It was basically how to plan a huge wedding, but make it a vow renewal. I was looking for interesting and unique ideas and dos and don'ts. There basically aren't any dos/don'ts. It is also a little outdated.

This book has been a great help in planning our 50th Renewal wedding. Many thanks.

Every married couple should read Sharon Naylor's "Renewing Your Wedding Vows!" It's an insight into how to honor and celebrate the commitment that you and your spouse make to each other for a lifetime. Finding the right partner is a true blessing and a Vow Renewal is a wonderful way to re-affirm the love you share together. Whether it's to mark a milestone or just to say 'I do' all over again, Sharon Naylor will help you in this inspiring book.- Erik and Beth Kent

I was so glad to find this wonderful resource on vow renewals. My husband and I are planning a vow renewal for our 25th Wedding Anniversary. This book provides not only great ideas for vow renewals but outlines etiquette for the event as well. I would highly suggest this book for anyone considering a vow renewal ceremony!

The book gave me lots of ideas on how to refresh and renew my 20 year marriage! From vows on the beach to vows in a chapel to getting the bridal party back together or having the latest additions of the family attend, this book is full of creative suggestions and ideas!!!
