Customer Reviews

I got this book for my daughter so that she could decorate one of her doll houses, but we found the folding to be very complicated. This may be great for people who have a lot of experience folding, but was too difficult for my 8 year old. The book itself is very pretty and IF you are an experienced folder, is likely a good one for you!

Lovely book. I like the creative an unique models detailed in the book. Diagrams are fairly easy for someone with some origami experience to fold. The book is beautifully designed. Nice photos.
